SKINS - KNOCKOUT FORMAT

Rules and Regulations

(SENIOR & GROUP 1 ONLY)

- ▶ Time trials will be conducted for all 50m events and the TOP 8 fastest swimmers will be shortlisted for the Finals which will be held in SKINS-knockout format. If there are less than 8 swimmers for any reason then we will invite reserve swimmers in order of 9th, 10th, 11th etc. into the event.
- ▶ The format for finals includes 3 races- Round of 8, Round of 5 and Round of 3. This implies that three swimmers will be eliminated after SKINS 1 and two swimmers will be eliminated after SKINS 2. Finally, 3 swimmers will compete in SKINS 3 to arrive at gold, silver and bronze medal positions.
- ▶ The format will run with a 3 minutes start interval between each SKINS. The countdown of 3 minutes will start right from the start of the previous race. A bell will ring with 30 sec left on the clock indicating swimmers to be ready at the starting block. The Starter will start the race exactly at the end of the 3 minutes countdown.
- ▶ If a swimmer is disqualified for a false start or stroke infringement then he/she will be eliminated and not the slowest swimmer in that race.
- ▶ The referee will determine the slowest swimmers, who are to be eliminated in each round using the official timing system.
- ▶ Swimmers will remain in their original assigned lanes throughout the event other than during the last race of SKINS, in which lane numbers 3, 4 & 5 will be used.
- ▶ In all matters pertaining to the SKINS event, which are not mentioned above, the Referee's decision will be final.
